

MISSION, VISION AND VALUES

MISSION

To care for and serve our community

VISION

Building upon the strengths of our EMHS Family, Inland Hospital will be a valued member of the greater Waterville community and nationally recognized for excellence in healthcare.

VALUES

PASSION

We demonstrate a passion for caring for others and the pursuit of service excellence in all that we do.

INNOVATION

We are capable of extraordinary creativity and are willing to explore new ideas to achieve our healthcare mission.

INTEGRITY

We commit to the highest standards of behavior and doing the correct thing for the right reasons.

RESPECT

We respect the dignity, worth, and rights of others.

ACCOUNTABILITY

We take a responsible and disciplined approach to achieving our priorities and responding to an ever-changing environment.

PARTNERSHIP

Working together in collaboration and teamwork is more powerful than working alone.
